

# Second Workshop on Controlled Natural Language CNL 2010

13–15 September 2010  
Marettimo Island, Italy

## Practical Information

### How to Reach Marettimo

- Check the web-site <http://www.marettimoresidence.it/inglese/howtoeach.php> that contains all relevant information. The Marettimo Residence can also organise your transfer from one of the airports to Marettimo, or find a hotel for you if you have to stay overnight in the harbour city Trapani.
- Note down the telephone number of the Marettimo Residence +39 0923 923202, and call them if you get stuck.

### Eating

- Since the apartments of the Marettimo Residence have fully equipped kitchens you can prepare your own meals.
- Check the attached map for the addresses of restaurants, bars and shops. Everything is in walking distance – just stroll around the village.
- Breakfast: Continental breakfast is offered by the Marettimo Residence, Italian style breakfast by the bars.
- Lunch: Offered by all restaurants. Light lunches can be found in the bars and can also be ordered at the Marettimo Residence.
- Dinner: Offered by all restaurants. Please notice that the local cuisine is based on fish and seafood. There is also a take-out pizzeria (L on the map) where you can order your pizza 30-60 minutes in advance.

### Money & Mail

- There is a bank with a bancomat (ATM) in town (T on the map). The bancomat takes only cards with a PIN.
- The bank will change foreign currencies and cash traveller cheques at a surcharge.
- While the Marettimo Residence accepts credit cards, most other places probably expect cash.
- The post office (R) is open in the morning. Mail can also be submitted at the reception of the Marettimo Residence.

## **All Things Electrical**

- Electrical current is 220 V, 50 Hz. Power outlets are of the Italian three-prong style, but accept two-prong European plugs. If needed bring an adapter. A sufficient number of outlets for your lap-tops will be available in the lecture hall.
- WiFi will be available at the Marettimo Residence in the lecture hall (network = NETGEAR) and in front of the bar (network = ap1-marettimoresidence). To get access to the nets, you need first to log-in via your browser (username = prova, password = prova).
- Connecting your lap-top to the projector: A VGA cable with a male connector and a DVI-VGA adapter will be provided.

## **Water**

- The tap water comes from a cistern and is not safe for drinking.
- Buy bottled mineral water at the Marettimo Residence or in shops.

## **Social Programme**

- On Sunday, 12 September 2010, at 16:00 sharp we will meet at the reception of the Marettimo Residence (16 on the map) for a light hiking tour that will give you an overview of the island. The hiking tour ends at the next item on the social programme, namely ...
- On Sunday, 12 September 2010, 18:00-19:00 aperitif at Caffè Tramontana (30 on the map). Participants who do not want to participate at the hiking tour may join us there.
- The workshop dinner will take place at the Marettimo Residence on Tuesday, 14 September, at 20:30. The dinner is organised by the family of a local fisherman and the menu depends on the catch of the day. The price per person including beverages is approximately € 30. Please inform the reception of the Marettimo Residence upon arrival that you will participate at the dinner, and with how many people. The cost of the dinner will be charged to your hotel bill.

## **Possible Extensions of the Programme**

- Posters can be shown during the breaks.
- On Wednesday, 15 September 2010, the programme ends at 17:00 with an "Open Space" that we can decide to use for a panel discussion, for demos, for a poster session, for ..., or just for nothing.
